

They do not want their name identified with the bill, even though it is named after their daughter. I ask the House to reject the Commerce, State, Justice bill that would include a Social Security bill that would allow just about complete trafficking in Social Security numbers without any real protections for ordinary Americans.

THANKS TO FLOOR STAFF

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, let me see if I can end the 1 minutes on a positive note and ask all Members who are watching and sitting in the Chamber as we conclude the session to say thanks to all the people who really make this House work; the clerks who are sitting behind me, the Sergeant at Arms people who are around us all day really helping us, the people from the Parliamentarian's office, the people who work in the cloakrooms, the people who take down every word that we say.

These are the people who really make us look good and really are the people who continue day in and day out to keep the House of Representatives running so smoothly. We take it for granted, but they work hard. They work long hours. They are here long, long, long after we are gone out to dinner and have gone home.

They are here while some people still want to speak on the House floor. They do such great work and really keep the House of Representatives going, and we owe them a big debt of gratitude as we conclude our session. I hope that every Member will say thank you as they pass through the doors, as they pass their statement to the Clerks, as they see the Parliamentarians. These are the people, the people in the cloakroom who are here; they are all the people who really make us look good and continue to make the House of Representatives the great institution that it is.

I want to say thank you to all of you, and I hope every Member will do the same sometime before you leave here.

THE JOURNAL

The SPEAKER pro tempore (Mr. QUINN). Pursuant to clause 8 of rule XX, the pending business is the question of the Speaker's approval of the Journal of the last day's proceedings.

Mr. McNULTY. Mr. Speaker, pursuant to clause 1, rule I, I demand a vote on agreeing to the Speaker's approval of the Journal.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. McNULTY. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 300, nays 67, answered “present” 1, not voting 64, as follows:

PERSONAL EXPLANATION

Mr. BURTON of Indiana. Mr. Speaker, during rollcall votes Nos. 553 and 554 I was unavoidably detained. Had I been here I would have voted “nay” on rollcall vote 553 and “yea” on rollcall vote 554.
